Dear Jane

I was glad to get your last letter. It was great to hear to hear that you are going to study Russian. I think it is a very important and difficult thing. If you know two languages you will understand people from different countries. You will be able to travel aroud not being afraid of misunderstanding foreigners. You can read books in different languages, listen to music of foreign singers, speak online with people from different countries.

Anyway, I have to go now because my mum asked to help her.

write back soon!

Best wishes,

Jake
