It was a trip I'll never forget last year on the summer holidays my family and I were going to our grandma Lucy. Lucy lived in a small town away from us that's why our trip was long. We were going by a car. It took two days to finally drive to her small pink house. The road was long so we take some stops to relax and eat. This trip was really challenging for me. I've never been so long away from home.

First day of our trip was probably best day in my life. But the day two was really bad. Something bewildering happened to us. There we were really tired so we made a stop. Then my beautiful mum were making sandwiches. My lovely dad heard some bizarre noise. He looked around and see a man. His man was trying to steal our car! My father really strong and in good fit so he ~~was~~ so then him scream on this man. ~~He~~ ~~scared~~ ~~and~~ ~~ran~~ Man was so confused and scared. So all he can do was it ran away. This was really scary but thanks to Dad our car was safe.

After that we continued to relax all together. The weather was cold so we ~~put~~ dad put on a hat ~~on~~ ~~it~~ and ~~of~~ scared on him. My mum put on a blanket on her. My mum as always was wearing ponytail. Then we ~~took~~ our ~~turn~~.

So our ~~entire~~ ~~our~~ trip continued. This was so interesting two days and I really that I spend them with my family.

I love this trip. I love my family. I love my grandma. I love my dad. I love my mum. I love my car. I love my hat. I love my blanket. I love my ponytail.
